

Lake Edge Learning Center

Photo Release

Lake Edge Learning Center will take photos of activities, events, and happenings related to the center and include the children and families of children enrolled at the center or formally enrolled at the center. These photos are used on our website, social media pages, and throughout the center. A formal photo authorization is required for each child. If you would not like pictures of your child used for any of the stated purposes, please indicate below as “unauthorized”.

Please circle one:

“Lake Edge Learning Center is Authorized or unauthorized to use photographs of my child and our family for special recognition, public relations, instruction, or other informational purposes for the center.”
